Clothing and Coat Drive – Has Been Extended through July!

The ABC Public Relations Committee thanks all of you who are helping to support this drive!

Help is still needed . . . additional items are needed for children before start of school year as the Public Relations Committee will be making distributions during this time. Please ensure items are clean before donation.

The Public Relations Committee will report on the various charitable organizations receiving donations for distribution in the community.

Your support in the community is needed and appreciated.

Don't forget: we want 5!

The ABC Cares Food Drive is a year-long activity and donations are always accepted. The ABC Public Relations Committee delivers food and cash to the local food pantry throughout the year.

Bring us 5 lbs. or \$5 for the food drive when you drop off your clothing donation!

Helping hands working together make it happen!
