Safety Moment

Welcome BACK to SCHOOL

As summer comes to an end school will be back in session which means more traffic, children walking and riding bikes back and forth to school and more families out and about not only in your neighborhoods but also in the areas you and your employees drive through every day. Help keep our communities safer by slowing down and being a more attentive driver. Ensure the school bus stop sign laws are known and followed by all. We wish you and yours all the best as we begin the 2021-2022 school year!

THIS IS NOT A SUGGESTION!

TWO-LANE:
Vehicles traveling in both directions **MUST** stop.

MULTI-LANE PAVED ACROSS:
Vehicles traveling in both directions **MUST** stop.

DIVIDED HIGHWAY:
(Unpaved space (Med. Div.) OR any raised median or physical barrier.)
Vehicles behind bus **MUST** stop. Vehicles traveling in the opposite direction proceed with caution.
