ABC Government Affairs

ABC Texas Gulf Coast Supports Texas State Representative Dennis Bonnen

In February, ABC Staff and Director Buck Blevis, Chair of the ABC Texas Gulf Coast Government Affairs committee, attended a local political fundraiser.

Pictured left, Buck presented State Representative Dennis Bonnen with a State PAC check in support of his campaign and his ongoing efforts in supporting ABC priority issues.

ABC Human Resources

Keys to Effective Discrimination & Harassment Prevention Training

Discrimination and harassment prevention training are vital for setting standards of appropriate workplace behavior. However, careless training practices can create issues for an employer. To avoid these issues, use this list of guidelines for employers providing anti-discrimination and anti-harassment training: [>>Read full story](#)

WEBINAR: Preventing Harassment in the Workplace and What to Do When Claims are Made

Concerns about sexual misconduct in the workplace have grown more acute following the recent wave of sexual harassment scandals, and you don't need to be a cable news network, a Hollywood production company, a media mogul or a politician to feel the ripple effect from the upsurge of workplace sexual harassment claims. **Don't miss this April 11th webinar training from Little!**

ABC Safety & Health

ABC released its 2018 Safety Performance Report to further the construction industry's understanding of how to make jobsites safer through its Safety Performance Evaluation Process. Packed with infographics and practical takeaways, the report documents the dramatic impact of using proactive safety practices to reduce recordable incidents by up to 85 percent, making the best-performing companies 670 percent safer than the industry average.

ABC / MSTI Craft Training

ABC Texas Gulf Coast sponsored two competitors to attend the ABC National Craft Championships held March 21-23 in Long Beach, California. Craft trainees from chapter and member firm training programs across the country come together to compete in this intense two-day event representing 13 crafts.

ABC knows the future of the industry relies on its ability to attract and retain the most talented individuals necessary to meet the nation's ever-increasing construction workforce needs. ABC is leading the way in developing the merit shop construction industry workforce by offering programs, such as the NCC, that promote life-long learning and national recognition based on achievement at every career level.

Jesus Longoria IV of RPM Services and John Cardenas of Wolfenson Electric, Inc. were selected to compete in the millwright and electrical divisions of the National competition. [>>READ MORE](#)
