Trump Administration Releases Spring 2019 Regulatory Agenda

On May 22, the Trump administration released its Spring 2019 Unified Agenda of Regulatory and Deregulatory Actions. The agenda lists upcoming rulemakings and other regulatory actions from each agency that the administration expects to publish through the end of the year and into 2020. [>> READ MORE](#)

ABC Workforce Development / MSTI Craft Training

ABC Texas Gulf Coast Kicks Off "Workforce Wednesdays"

Developing a highly-skilled construction workforce is one of ABCs' Construction Objectives that is supported by a number of initiatives. One such initiative is connecting local high school construction CTE programs with ABC member companies to partner with them in achieving their goals. Whether it's providing expert craftsmen to serve as guest speakers to classrooms of students or sponsoring high school CTE projects entered in Skills USA competitions, ABC members are able to positively impact educators efforts to build a highly skilled workforce. The ABC Workforce Development committee meets bi-monthly on the first Wednesday of the month starting in June with the mission of building the people who build America. ABC members are encouraged to join this effort. For more information about joining this committee, [contact us!](#)

VETERANS ARE ELIGIBLE FOR NCCER CREDENTIALS

The **Hard Hat Heroes Credentialing Portal** allows veterans to receive NCCER credit for skills and training received while in the service. Each individual that meets the criteria can fill out an online application and submit documentation to be reviewed and potentially entered into the NCCER Registry System. The portal consists of 10 Army military occupational specialty (MOS) codes, 36 Navy Seabee rates and 8 Air Force specialty codes (AFSC) that align directly with NCCER craft training, and assists hiring managers in skill identification and training preparation. All alignments within the portal were developed in conjunction with military trainers and industry representatives. More alignments are in development with the other branches of service and are due to release throughout the year. Additionally, Hard Hat Heroes offers FREE online core curriculum.

Visit veterans.bvf.org for more information about updated task alignments, online core curriculum and how to get involved as a **Military Friendly Employer**.
