Geoffrey Tahuahua has been hired as our next ABC Texas President. After receiving multiple, quality candidates Geoffrey was selected from the strong field of applicants. He brings over a decade of government affairs experience, including key leadership positions with two other associations. He is leaving a position as Vice President of Policy and Government Affairs with the Real Estate Council of Austin to join ABC. Geoffrey is well known by many with the state legislature community and our industry, and is very familiar with ABC. ABC Craft Training / Workforce Development

2021 Careers in **CONSTRUCTION** Month

#CICM

Careers in Construction Month (CICM) is a nationwide campaign held every October to increase public awareness of construction careers, inspire the next generation of craft professionals and make an impact on the perceptions of a career in construction. For more information and tools to help promote Careers in Construction month [click here](#).

Even though our ABC Construction Exhibition, as originally planned, has been cancelled due to COVID we are going to be hosting special school editions instead. We will be visiting our local high schools with some of our members through out the month of October to promote Careers in Construction Month and give our students a hands on taste of a couple crafts common in our local industry. We plan to get back on track with the ABC Construction Exhibition in 2022.
