

ABC Membership Event & Luncheon

Featuring

'State of the Education System'

Wednesday, April 26, 2017
Brazos Room A

11:00 a.m. Registration & Social Time
11:30 a.m. Luncheon/Event
1:00 p.m. Adjourn

Presented By
Danny Massey
BISD Superintendent

Danny Massey has been in public education for 28 years. He has served over 26 of those years with Brazosport Independent School District as a teacher, coach, assistant principal, principal, director, assistant superintendent and his current position of superintendent.

Danny is known for his transparency as well as his visibility in our community. His wife Debbie is a graduate of the district and their 3 children attend BISD schools. Danny is a public school advocate and believes that we can only have strong communities through having strong public schools. He believes staying connected to parents, staff and stakeholders is vital to the success of the district, and ultimately to the success of the students placed in his care.

Massey earned his bachelor degree in education from Missouri Southern State College, holds a masters in education from Texas Southern University and superintendent certification from St. Thomas University and Region IV Service Center.

Two Brazoria County Apprentices Take Home Medals at Associated Builders and Contractors' National Craft Championships in Fort Lauderdale

Associated Builders and Contractors Texas Gulf Coast Chapter (ABC) announced that Robert Broadway of McGill Maintenance won the Gold Medal and Timothy Sargent of RPM Services won the Bronze in the Millwright Competition at the 30th annual National Craft Championships (NCC) earlier this month. Broadway and Sargent were presented with the awards at ABC's Careers in Construction Awards Breakfast March 3 at the conclusion of ABC's Workforce Week '17 in Fort Lauderdale, Florida.

"This year's field of the top construction apprentices and trainees truly represents the very best the merit shop construction industry has to offer, and Associated Builders and Contractors could not be more proud of these talented men and women," said 2017 ABC National Chair Chuck Goodrich, president of Gaylor Electric, Indianapolis. "Gaylor Electric and our fellow ABC member companies are truly fortunate to employ such a talented group of highly trained and incredibly skilled craft professionals who represent the future of our great industry."

"Mr. Broadway and Mr. Sargent have practiced every weekend under the tutelage of Cody Barnard and Kerry Melton, both former National Gold Medalists, and Ashley Agbe, Former National Silver Medalist. They've continued our winning tradition and are indeed our Champions!" said Margaret McMahan, Director of Education.

Robert Broadway works for McGill Maintenance of Freeport and Tim Sargent works for RPM Services of Rosharon. Both are finishing their Millwright Craft Training Program at Brazosport College in Richwood under the instruction of Mr. Jim Slick. In addition to the medals, winners also took home cash prizes of \$750 for Gold and \$350 for Bronze.

NCC is a part of ABC's effort to raise the profile of careers in construction and highlight the \$1.1 billion that ABC member companies spend annually on workforce development.

This year's field of competitors featured nearly 170 craft professionals from 28 states competing for top honors in 13 competitions across 11 crafts. Competitors first took an intense, two-hour written exam and then competed in a daylong hands-on practical performance test.

The competition was developed in 1987 to help celebrate and recognize craft training in construction careers. Each year, the competition draws some of the nation's most talented craft professionals and highlights the important role that skilled trades training plays in the construction industry. The National Craft Championships Committee, which is composed of leading merit shop construction firms, plans all year for the two-day competition.

A list of the winners is available on ABC's website.

Who We Are

- ◆ Chase provides deposit accounts, loans, credit cards, payment processing and cash management to 4 million small businesses across the country.
- ◆ Chase for Business is the brand that represents the parts of Chase serving small businesses, including Business Banking, Merchant Services, and Ink business credit cards.
- ◆ We've extended more than \$19 billion in new small business loans each of the last four years (2012-2015) and are perennially among the top SBA lenders in the country.
- ◆ Chase has more than 10,000 specially trained business bankers – Business Relationship Managers and Small Business Specialists - across 23 states, working with business customers through our branches and in the community.
- ◆ In a 2016 J.D. Power study, Chase ranked highest in customer satisfaction among small business owners in the South and West regions, the fourth year in a row for the West.

How We Work

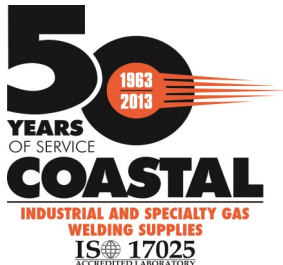

- ◆ We want to be the easiest bank for business owners – helping them make the most of their finances, so they can focus on running their businesses.

COASTAL

www.coastalws.com

WELDING SUPPLIES**

2102 N. Brazosport Blvd.
Freeport, TX 77541
(979) 233-3900

WELDING SUPPLIES, INDUSTRIAL, AND SPECIALTY GAS PROVIDER

Coastal is your single source for all your Welding and Safety Supplies, Industrial and Specialty Gas Requirements.

Coastal Welding Supply, Inc. was founded in 1963 by Al Mazoch and has over 50 years of experience in providing service to the petrochemical, metal fabrication, field construction, maintenance and turnaround industries. Today Coastal remains a family owned organization under the leadership of Al's son, J.C. "Chuck" Mazoch. Coastal has evolved from the single service location based in Beaumont Texas, to nine distribution facilities strategically located along the Gulf Coast Petrochemical Region of the United States.

Dräger, Inc.

7256 S. Sam Houston W. Parkway, Suite 100
Houston, TX 77085
Phone: (800) 4Dräger

Dräger offers some of the most technologically advanced safety products in the world. But we are more than a manufacturer - we provide complete solutions for all your safety needs.

Through our international experience with gas detection systems and respiratory protection, we have developed an assortment of services and solutions designed to optimize your processes and support you, leaving you free to concentrate on your core business. Dräger's Rental Management options offer you flexible service and system solutions which can be set up onsite to manage your rental inventory. For shutdowns, turnarounds, or similar large-scale projects, we can provide onsite support to manage our equipment so your focus can be where it needs to be during this major event.

"Superior Service, Superior Valves"

Founded in 1990, Great Western Valve specializes in valve repair and remanufacturing services for control, pipeline, and safety relief valves as well as instruments, positioners, and electric actuators for the refining, petrochemical, pipeline and power generation industries. The company also provides field services and differentiates itself by providing quality workmanship, exceptional customer service, and flexible delivery times that are often far shorter than OEM's and other valve companies. Great Western Valve is an independent shop, which means we are not tied to any manufacturer, allowing us to repair any and all types of valves and actuators. We repair all valves to Class A Standards and OEM specifications using only OEM parts.

WORKFORCEWEEK '17

ABC Texas Gulf Coast representatives recently attended Workforce Week 2017 in Fort Lauderdale, Florida to connect, collaborate and celebrate with other ABC Chapters from across the nation, and one of our big reasons to celebrate is our **MEMBERS!**

We are very proud to report that the **ABC Texas Gulf Coast Chapter** received recognition for Top Membership Retention at 92.9%, and were **Trifecta Membership Award** winners achieving their targets in all three membership category metrics of retention, growth and goal. This would not be possible without you, our valued members!

Further, Texas Gulf Coast Chapter won the **South Central Regional STEP Award** for the having the greatest percentage of membership participation in the **STEP Safety Program** at 48%. In fact, the Texas Gulf Coast Chapter was also recognized with the **Chairman's Award, for having the highest level of STEP Diamond and Platinum Achievement Levels at 76.6%!**

Clearly our members see the value and maximize the benefits of ABC membership. And they excel at what they do; achieving excellence not only in operations but also in safety performance.

What a great example of what partnership between ABC and our Members should look like!

Congratulations to everyone on these achievements!

ABC Texas Gulf Coast members care about the communities in which they live and work. Building business and building community is always on our mind at ABC - learn more at abctxgulfcoast.org!!

Ingredients:

No Bake Robin's Egg Cheesecake

Yield: 6 Servings

- 1 1/2 c. heavy cream
- 12 oz. cream cheese, softened
- 1/2 c. sugar
- 1 c. chopped Robin's Eggs, plus more for garnish
- 1/4 c. malted milk powder
- 1 prepared graham cracker crust

1. Chill stand mixer bowl and metal whisk attachment for at least 30 minutes before beginning.
2. In a stand mixer fitted with a chilled whisk attachment, beat heavy cream until soft peaks form. Add softened cream cheese, malted milk powder and sugar. Mix until completely combined and no clumps remain. With a spatula, stir in one cup crushed Robin's Eggs.
3. Pour mixture into graham cracker crust, cover with plastic wrap, and refrigerate until firm, at least 6 hours, preferably overnight.
4. When ready to serve, top with reserved chopped Robin's Eggs.
