**<https://web-ded.uta.edu/wconnect/ace/CourseStatus.awp1?&course=21500008>**

Course prerequisites:

Completion of the *OSHA #510 Standards for the Construction Industry* (copy of completion certificate required).

Five (5) years of construction industry safety and health experience. A Bachelor's degree or higher in occupational safety and health, a Certified Safety Professional (CSP) or a Certified Industrial Hygienist (CIH) designation may be substituted for two (2) years of work related experience. Experience must be documented on the Prerequisite Verification Form ([download](#)) and submitted to our office: The University of Texas at Arlington OSHA Training Institute Education Center 140 West Mitchell Street Arlington, TX 76019

Email: [OSHA@uta.edu](mailto:OSHA@uta.edu) | Fax: (817) 272-2556

A complete Prerequisite Verification Form must be submitted at least ten (10) business days prior to class. Approval can take up to ten (10) business days once the complete Prerequisite Verification Form is received.

**Classes will be held November 30 - December 3 from 8:00 a.m. - 5:00 p.m. at:**

**Associated Builders and Contractors - CR #2**

**1002 ABC Avenue**

**Freeport, TX 77541**

Associated Builders & Contractors is not an OTI Education Center, but serves as a host training organization for the University of Texas at Arlington OSHA Education Center.
